

International Journal of Medicine and Biosciences

Copyright Transfer Agreement

Dear Author(s)

Thank you for submitting manuscript for publication in International Journal of Medicine and Biosciences (IJMB). In order to accelerate the editing and publishing process and facilitate International Journal of Medicine and Biosciences to distribute your manuscript to the fullest extent. We need to have this Copyright Transfer Agreement signed and returned as soon as possible. If the manuscript is not accepted for publication, or if the manuscript is subsequently rejected, this Agreement shall be invalid and unacceptable.

Manuscript No:

The article entitled
.....
is herewith submitted for publication in International Journal of Medicine and Biosciences (IJMB). This article has not been published or under consideration for publication in any other journal.

We hereby transferred and assigned to International Journal of Medicine and Biosciences (IJMB) for the full term of exclusive copyright and any extensions or renewals of that terms thereof throughout the world, including but not limited to publish, disseminate, transmit, store, translate, distribute, sell, republish and use the contribution and material contained therein in print and electronic form of the journal and in other derivative works, in all languages and any form of media of expression available now or in the future and to license or permit others to do so.

The contributor(s) explicitly reserve the following rights:

1. The right to make further copies of all or part of the published article for my use in classroom teaching;
2. The right to reuse all or part of this material in a compilation of my own works or in a textbook of which I am the author;
3. The right to make copies of the published work for internal distribution within the institution that employs me.

We agree that copies made under these circumstances will continue to carry the copyright notice that appeared in the original published work. We certify that we have obtained written permission for the use of text, tables, and/or illustrations from any copyrighted source(s), and we agree to supply such written permission(s) to International Journal of Medicine and Biosciences (IJMB).
